

*St John's Park Church Family: Followers of Jesus who Love and Learn from God, so we can..... Empower and Support each other, so we can .... Serve and Reach out to the community and beyond, so we can.....*

## Welcome to St John's

### Our Covid Guidelines

### Keeping everyone safe

#### 1. Test & Trace

There will be a QR code available to scan, upon entry, that can be used so that you can be notified through the app if there is a need to self-isolate. There will also be the option to leave your details so that we can let you know if we're informed of a positive case after a Sunday gathering.

#### 2. Face Masks

It is no longer a legal requirement to wear a face covering, and so please feel free to either continue wearing one or not. The decision is yours to make.

#### 3. Social Distancing

We recommend we continue to be socially distanced, particularly if there are large numbers in the building. We have removed some chairs to make this easier. If you would like to, you can place one of the red squares provided on the empty seat next to you and your household, to indicate it is not to be used.

#### 4. Good Ventilation

We will do all we can to ensure there is good ventilation during our gatherings.

#### 5. Hand Sanitizer

Please do use the sanitizer upon entry and exit.

#### 6. Singing

We have begun to sing in the building, but please be mindful of the people around you.

#### 7. Refreshments

We have begun to offer refreshments in church with someone serving, who will wear a face covering.

#### 8. Toilets

These are open for use as normal.

#### 9. Review and Feedback

We will continue to review these guidelines, and if you have any concerns, feedback or questions, do contact the office on the email below.
